Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

1. Electronic Licensing;
2. Continuous Insurance Enforcement;

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Detecting and Preventing Fraud

In order to keep premiums as low as possible for all of our customers, we participate in a number of industry initiatives to aid the prevention and detection of crime, especially insurance related fraud. We pass information to the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register operated by The Motor Insurers Bureau (MIB). We may search these registers and any other relevant databases in order to make decisions regarding the provision and administration of insurance and, when you make a claim, to validate your claims history or that of any person or property likely to be involved in the claim.

As part of our anti-fraud processes, information will be passed to third party credit reference agencies for the purposes of identity verification only. As part of the identity verification process, your information will be checked against a range of databases/registers and a 'soft footprint' will be left on your credit file for a period of 12 months. Unlike standard credit checks, soft footprints do not affect your credit score and you are the only person who can view them on your credit report.

4. Whilst any passenger is getting into or out of your vehicle;
5. Whilst you are towing a single trailer, caravan or broken-down vehicle which is securely attached to your vehicle (provided you hold the correct driving licence entitlement to do so).

The maximum amount we will pay under Section 1 in respect of property damage is £20,000,000 except where the damage is caused by a Private Motor Car, or £5,000,000 if damage caused by any other type of vehicle. 2 Loss of or Damage to Your Vehicle

What is covered under this section

We will insure your vehicle against damage or total loss caused by an event listed below, provided that the 'Summary of Cover' section shows such an event is covered:

1. Accidental damage;
2. Malicious damage and vandalism;
3. Fire, self-ignition, lightning or explosion;
4. Theft or attempted theft.

If you owe us an outstanding amount under this policy when the claim has been made, you must pay this amount in full before we can settle the claim.

Please refer to your policy schedule for the level of cover shown and then to the 'Summary of Cover' section on page 13 for details of which events your cover includes.

If you need to report a claim to us, please refer to the section entitled 'Making a Claim' on page 9 of this booklet for further information.

Please note that an endorsement may apply to this policy regarding the storage of your vehicle whilst at the declared parking address (your policy schedule will confirm if such an endorsement applies). If your policy schedule contains such an endorsement and it is not complied with then this policy will not cover your vehicle for any loss or damage.

If your vehicle has been stolen or damaged by attempted theft then you must notify the police without delay and obtain a crime reference number.

2.1 Damage

We will pay for the cost of repairing damage caused to your vehicle as a direct result of an event shown above provided that all of the following applies:

- This policy covers the event (as above);
- You adhere to the terms and conditions under the heading "Claims handling" in the General Conditions section of this policy booklet;
- We deem the cost of repairing your vehicle to be economical.

As an alternative to repairing your vehicle, we may deem it appropriate to either replace your vehicle with one of a similar specification or pay you a monetary amount equal to the cost of repairing the damage less any policy excess which is applicable (see Sections 2.8 and 2.9).

If we choose to repair your vehicle and a replacement for a damaged accessory or part is not available, we will pay you the most recent listed price of this as published in the UK.

We reserve the right to use accessories or parts that are recycled or that are not made or supplied by the manufacturer of your vehicle, but are of a similar type and quality to those we are replacing. We will not be responsible for additional storage costs due to the unavailability of accessories or parts, or the cost of importing them from outside of the UK.

2.2 Total loss

We will normally declare your vehicle a total loss:

- If we deem the cost of repairing your vehicle as uneconomical; or
- If your vehicle has been stolen and not recovered.

If your vehicle is declared a total loss as a direct result of an insured event, we will offer you a monetary amount as compensation.

Once you have accepted our offer, your vehicle will become our property. We will allow this insurance contract to continue on a replacement vehicle provided we accept this substitution and you pay the additional premium applicable.

We may give you, at our discretion and if the current regulations allow, the option of retaining the vehicle salvage subject to a deduction from the compensation amount we offer you.

2.3 Vehicle service/repair

We will provide the same level of cover that your policy has under Section 2 whilst your vehicle is in the custody or control of a member of the motor trade for the purpose of being serviced or repaired.

2.4 Moving Your Vehicle

We will pay for the reasonable cost of moving your vehicle to a repairer near to its location if it is damaged following an accident and cannot be driven provided that the damage is covered by this policy.

2.5 Ownership of your vehicle

If your vehicle is subject to a hire purchase agreement, we will pay any money owed to that company first and then pay any remaining money to you. Where your car is on finance and the agreement allows you to own or purchase the vehicle, any difference between what we pay the finance company and the market value will be paid to you.

The maximum amount we will pay is the market value of your vehicle less any policy excess which is applicable. If there is still an amount owing to the finance or leasing company after we have settled your claim, then you are responsible for this amount.

2.6 New Vehicle Replacement

We will, at your request, replace your vehicle with another of the same make, model and specification following an incident covered by Section 2 provided that all of the following applies:

We will pay towards the cost of replacing the audio and satellite navigation equipment in your vehicle with equipment of a similar specification following an incident covered by Section 2 provided that the audio and satellite navigation equipment is damaged and was permanently fitted to your vehicle.

The maximum amount we will pay if the equipment was permanently fitted to the vehicle but not by the manufacturer as standard specification under Section 2.7 is £750 for any claim arising out of the one incident.

2.8 Spare Parts and Accessories

We will pay towards the cost of replacing accessories and spare parts, which relate directly to the function of your Agricultural Vehicle. The accessory or spare part must be fitted to or in or on your Agricultural Vehicle which is covered under this Policy

No excess will apply if the claim is made solely under this section of the policy.

2.9 Compulsory and voluntary policy excess

If any claim is made under Section 2 you must pay a compulsory policy excess, the amount of which is shown in your current policy schedule. If no amount is stated, you must pay the first £100 towards any claim.

There are policy excesses that are in addition to the compulsory policy excess, these include voluntary excesses and young and inexperienced driver excesses..

2.10 Young and inexperienced drivers

If your vehicle is damaged whilst a young or inexperienced driver is driving (if permitted to do so as shown on your current Certificate of Insurance), you must pay the first amount of any claim as shown below, except where the damage is caused as a result of fire or theft

Drivers	Amount
Under 21 years of age	£300
Between 21 and 24 years of age	£200
25 years of age or over but holding a provisional UK driving licence or a full UK driving licence for less than 12 months	£200
